

This is a special invitation to you and your spouse for the 2011 Ski Trip

Physician and Spouse Date Nite

Monday, December 19, 7-9pm

L'Apogee

Arguably the best restaurant in Steamboat Springs! After a quick trip downtown we will share a delightful meal.

During the dinner, Dr. Shawn Zimmerman, specialized in physician-spouse relationships, will present and facilitate an engaging conversation entitled “**How Great Physician Marriages Develop.**” Great marriages are not just choosing a great spouse, they are the result of an intentional personal and couple development over time. There is always hope for the highest **joy** when we are aware and making effort in our development.

“What about my children?” you may ask.

Young Artist Development Night is for them!

We are bringing *Artist Dan Tilstra* (fantastic engagement for artists of all ages) with us who will provide a painting class just for your kids ages 5-13

Space is limited to the first 10 couples to RSVP

The cost of the four course dinner is \$65 per person
